elite

Legno di forte spessore e marmo di Carrara,
suggerimenti materiche per arricchire
ulteriormente una cucina che sa unire
plus estetici e funzionali.

Very thick wood and Carrara marble
are materials that can only increase
the attractiveness of a kitchen
that is also highly functional.

Elite cambia gli schemi tradizionali della cucina, proponendo soluzioni creative ed innovative con le sue particolari colorazioni e giochi di spessori.

Elite breaks with the traditional ideas of a kitchen and offers creative and innovative solutions with its particular colours and differing thickness of materials.

Ogni elemento della cucina Elite
concorre a creare la forte personalità
e le grandi possibilità arredative.

Each single element in the Elite kitchen
plays a part in creating its strong character,
while offering great possibilities of layout.

In legno massello di frassino
da 24 millimetri i telai delle ante,
massicci o impiallacciati
anche i decori e le cornici.

The door frames
are in solid 24 millimetre ash,
while the decorations
and the sculpted panels
are in solid wood or veneer.
